24 November 2009

Dear Friends of the Trust

As we have come to the end of another year, it seems appropriate to give some feedback on the activities of the Bursary Trust Fund this year.

### Scholarship Candidates

I am pleased to announce that from January 2010 the Bursary Trust Fund will be funding 6 students at varying levels throughout the school. This might seem small, but those parents who pay more than one set of school fees per month will know how much this adds up to!

Our newest scholarship candidate is Savannah Smit, who will join the Year 8 class in 2010. Savannah is currently in Grade 7 at Claremont Primary School.

### Bursary Trust Dinner/Auction

We hosted a very successful dinner/auction at the Vineyard Hotel in June this year. During the course of the evening items were auctioned raising a total of R100 000 which will give the Trust Fund a good boost going into 2010.

### Corporate Donations

The BTF has been very interested in trying to collect corporate sponsorship which can be offset against their BEE spend. We are very grateful to Microgen who have kindly donated the equivalent of 3 years High School tuition fees to the BTF. Would you consider approaching your contacts to do the same?

# Pick n Play

Inspired by you

### Pick 'n Pay and ISCT

Pick 'n Pay generously offered the Bursary Trust Fund one percent of the value of till slips collected between June and November this year, to a maximum of R50 000. Thanks to the excellent efforts of parents, staff, students and friends of the school, we reached our target of R5 million till slips collected in early November.

We have been moved by the response from the wider community with this project, and this has been a wonderful opportunity for the school to pull together and focus outside ourselves.

It seems that people want to make a difference in some way, and this has been an easy and tangible way of contributing to the greater good. We hope to repeat this drive sometime in the future, and we trust we will have the same support as we had this year. I would like to take this opportunity to thank the ISCT staff, in particular Jody Louw (Year 1 teacher), who has faithfully taken on the responsibility of recording the totals for auditing purposes.

**Bursary Trust Fund to date:**  
**R290 000**
