

Statement of Intent

ISCT is committed to using Christian values to develop a progressive school renowned for its high standards, international curriculum, caring environment and dedicated, professional staff. ISCT is a school which celebrates diversity, strives to develop confident, responsible and successful young people and endeavours to keep in touch with the dynamics of education so as to best serve the educational needs of each individual, both staff and student.

Mission Statement

Our Mission is to

- ✧ Offer a balanced programme of academic, social, emotional, physical and spiritual input so as to promote healthy, confident young people.
- ✧ Provide a caring atmosphere which is safe, fosters positive relationships and offers individual attention in a nurturing environment.
- ✧ Strive to provide a high quality academic program by creating a challenging and dynamic learning environment where children enjoy learning, make progress and achieve.
- ✧ Maintain the unique offering of a UK based curriculum that is internationally accepted and transferable, within a globally diverse community that is personable and progressive.
- ✧ Celebrate diversity by respecting and understanding all faiths and cultures.
- ✧ Provide opportunities for students to make positive contributions to the school and wider community.
- ✧ Provide professional development opportunities for staff
- ✧ Instill values incumbent in our Christian ethos – these would include respect, trustworthiness, fairness, responsibility, caring and citizenship.
