

**INTERNATIONAL
SCHOOL
OF CAPE TOWN**

DUE DATES FOR CAMBRIDGE EXAMINATION ENTRY 2019

Please note that the due dates below apply to the International School of Cape Town.

The centre needs time for checking and processing of entry details before uploading the entries to the Cambridge examination website. Applications received by ISCT after our due dates will be subject to an additional late administrative fee per subject by us. Applications received after the Cambridge due dates may still be possible, but this is subject to a very expensive, high late penalty fee charged by Cambridge. Late penalty fees will be quoted when you request exam entry information and forms.

No entries will be made before the full examination fees for a student has been deposited into the school's bank account and proof of payment sent, as Cambridge invoices the school immediately once the entries are uploaded to Cambridge.

Due dates for the May /June 2019 Cambridge International examinations:

Due date for completion of the online entry form: Friday 18 January

(After this date, application may still be possible, but timeous entry cannot be guaranteed, given the time needed for processing and therefore late penalties may be incurred.)

Due date for full payment of the examination fees into the ISCT bank account: Friday 1 February

(After this date, we cannot guarantee that there will be time for processing entries before the planned upload.)

Date on which ISCT will upload entries to Cambridge: **Friday 1 February**
