

HAVING FUN IS JUST THE BEGINNING

With Kindermusik you can expect a selection of resources, including:

- High quality and safety-tested instruments and manipulatives that engage children's love of music and fun
- New music, activities and games each month to keep children active and interested
- Parent access to @home materials that include all the music and home-based activities to continue learning through the week and to connect parents to their child's day

"When children come in, they are shy, but when you play music it's amazing how music just brings everyone alive and ready to interact"

-Carlyn Rayhnes, Principle

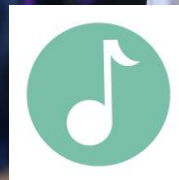

WHO WE ARE

All licensed Kindermusik Educators undergo a rigorous training program to learn the pedagogical and musical concepts upon which our Kindermusik Curricula is built. Learning never ends as our passionate educators participate in ongoing professional development to continually improve the classroom learning experience.

WHY KINDERMUSIK?

Kindermusik improves memory, cognitive development, learning skills and ability to express emotion. Kindermusik makes our child a better learner, teaches self-control, improves coordination, enhances creativity, aid in the development of fine and gross motor skills and inspires your child with a life-long love of music and movement.

Kindermusik is the ultimate ALL IN ONE extra mural program.

ABOUT KINDERMUSIK

Kindermusik is the world's leading provider of music-based early childhood education.

We are dedicated to using the power of music to help children learn & grow through our award-winning, research-based, and developmentally-appropriate curricula.

"It's a program that develops the whole child. It's not just focused on ONE area..."

It's going to benefit these children for the long-haul."

-Anthony Tucker, PreK Teacher
