These tasty, wholesome, nutritious meals are freshly prepared in lunch-sized portions. Our chicken is free-range; drumsticks are marinated. Substitutions cannot be made to the Hot Specials. We are looking at more vegetarian options.

We ask you to pre-order well in advance. Pre-ordering helps us plan quantities and ensures your lunch is ready. We may accept pre-orders for Hot Specials on the day or at the Woodland Heights counter, but this depends on stock availability.

The i-café menu is also available, on the blackboard & online PDF.
