i-café systems update

We are looking into more sophisticated ordering systems with integrated itemised billing and payment options. Pre-ordering enables us to plan quantities, ensuring we can serve the best food with zero wastage at the most affordable prices.

i-café menu update

We have introduced a menu of Hot and Cold Specials for each half-term (5 weeks), as well as The Breakfast Special and The Deals. Ask i-café staff for the Specials menu or visit www.isct.co.za/resources-and-documents

Please tell us your favourites! We are working hard to deliver quality & consistency.
