

The i-café survey 2019

This survey is your opportunity to influence the menus and products for sale to ISCT learners, staff and visitors.

Please choose two surveys to complete:

- Either: [Yes I am a customer](#)
- Or: [No I am not a customer](#)
- And: [What should be on the Menu?](#)

The survey is open to the whole ISCT community, whether you use the i-café or not, including parents & guardians, staff and learners. Answers are anonymous.

Hosted by SurveyMonkey, the surveys can be completed on most hand-held devices including i-pads and i-phones. They take just a few minutes each.

KS1 families: Please help learners complete surveys with their own opinions, and complete an additional pair of surveys with parents'/ guardians' opinions.

KS2 & High School: learners will complete a survey at school in Term 2.

Parents, guardians and staff, please use the links in your newsletters or above.

The survey will close on 30th June 2019.

www.isct.co.za - resources and documents](#)

Who is the survey for?

Suzanne Johnson, an ISCT parent, has developed the surveys to share with the i-café management team to develop future menus and items for sale at the Woodland Heights counter.

We have already received some very valuable feedback from parents, staff and learners who feel passionately about the food service provided at ISCT. Thank you very much.

We are aware that i-café systems are not as automated as they could be, for pre-ordering, direct payment and itemized billing. This is not being surveyed here but we are looking into options.

If you would like to send feedback beyond what is being surveyed here, or contribute your time or expertise in any way, please email:
