We deliver twice daily to Struben House @ 9.30am & @ 11.30am.

We can accept orders on the day, ahead of these times, but we do prefer orders well in advance please.

Food is freshly prepared in our kitchen daily. Packaged & named, it is delivered in our good-quality thermal bags to Struben House reception.

KS1 pupils collect their items as they pass reception at break times, ensuring the food stays hot (or cold), including snacks, fruit & drinks.

Exception: nursery orders are delivered before After Care.

We offer EFT payment with POP, & cash is accepted at Woodland Heights.

You may pre-pay an advance amount to use on orders all term – handy for those empty-fridge days!
