DUE DATES FOR CAMBRIDGE EXAMINATION ENTRY 2020

Please note that the due dates below apply to the International School of Cape Town Examination Centre.

The centre needs time for checking and processing of entry details before uploading the entries to the Cambridge examination website. Applications received by ISCT after our due dates will be subject to an additional late administrative fee per subject by us. Applications received after the Cambridge due dates may still be possible, but this is subject to a very expensive, high late penalty fee charged by Cambridge. Late penalty fees will be quoted when you request exam entry information and forms.

No entries will be made before the full examination fees for a student has been deposited into the school's bank account and proof of payment sent, as Cambridge invoices the school immediately the entries are uploaded.

Due dates for the May /June 2020 Cambridge International examinations:

Due date for completion of the online entry form: Monday 20 January

(After this date, application may still be possible, but timeous entry cannot be guaranteed, given the time needed for processing and therefore late penalties may be incurred.) We also reserve the right to close the form earlier if we reach capacity.
