4.6.2020

INFORMATION FOR KEY STAGE TWO, WOODLAND HEIGHTS

## Making our way back to school!

Welcome back! It has been wonderful having children back at school and there has been a lovely buzz and positive feeling.

For those staying home, we hope you will be able to join in with the live registration each morning to connect with your class and teacher.

It was a misty start for Year 6 & Year 4 on Tuesday morning.

Getting a feel for social distancing before break time started.

We were happy to see the sun come out so we could play shadow tag.

---

This is our morning team, who have done a stellar job in this first week:

First, Coach Shavaan and Coach Illona measure temperatures.

High School staff are ready at the tables to write down each child's temperature.

And then the security staff help to watch the children walking through the car park and point them in the right direction.

Mr Menye is usually at the HS entrance (tuckshop) and Mzi (far left) keeps an eye on KS2.

Mrs Johnson from the library makes sure that each child waits their turn and knows how to wipe their feet and spray their hands before they head to their own classroom.

Thank you to the whole morning team for all their preparations and the early set up in the cold.

And THANK YOU, parents, for making sure your children have been well prepared and masked upon arrival. We are so proud of how well the children have done this week!

Thanks for your patience in the afternoon queues – we will continue to work on this.

---

## Timings

Next week's timing will change slightly and the staggering will be less spread out.

Please carefully check your class teacher's letter on Friday for updates to the drop-off and pick-up timings next week.

Please ensure  
that your  
child's mask  
fits properly.

Please send your child to school with:

- Own hand sanitizer and tissues
- Reading book and quiet activities (colouring in/paper/activity books/solo games)
- **Umbrella and rain gear for wet days**
- Plastic container for storing stationery essentials (fabric pencil cases & chair bags will be sent home for cleaning)
- Packed lunch & water bottle
- Headphones & Y4-6 School iPad (these may still be at school from Term 1)

## Children working from home only:

### iPad Collection & Library Book Returns

If your child is working from home and you would like to pick up their school-issued iPad (Year 4- Year 6) please fill in [this form](#) so that we can get the iPad ready. iPad collection will be on **Tuesday 9<sup>th</sup> June at 9:00.**

If you have library books that you would like to return, please leave them with Dumisani and Mzi at the main gate.
