

INTERNATIONAL  
SCHOOL  
OF CAPE TOWN

## **DUE DATES FOR CAMBRIDGE EXAMINATION ENTRY 2021**

The due dates below apply to the International School of Cape Town and may differ slightly from those published by CAIE. The centre needs time for checking and processing of entry details before the final submission of entries to the Cambridge examination website.

Applications received by ISCT after our due dates will be subject to an additional late administrative fee per subject by us. Applications received after the Cambridge due dates may still be possible, subject to a costly late penalty fee charged by Cambridge. Late penalty fees will be quoted on request.

No entries will be submitted before the full examination fee for a student has been deposited into the school's bank account and proof of payment sent.

Examination places are limited; priority is given to ISCT's own student. ISCT reserves the right to refuse a specific exam application based on capacity in a specific subject or our ability to provide any special arrangements which may be required by a candidate and to close entries earlier than the published date.
