

Year 6 Stationery List: Brand names and quantities are recommendations

In Years 4 to 6, children are supplied with an iPad to use at school for educational purposes. The iPads are stored and charged in the classrooms.

*Each child must provide a set of name-labelled, basic headphones and a **combination code** padlock.*

We recommend wired 'over the head' headphones - please don't send in expensive headphones with additional features, or headphones that require charging.

KS2 students should have an Oxford SA School Dictionary. *If you already have this from a previous year group, please send this to school for the new school year.*

Children may bring a labelled tub (such as ice cream container) containing spare, labelled stationery that the class teacher will store. Otherwise, stationery can be replaced as necessary during the year. Please check your child's pencil case at the end of each term.
