INFORMING US OF STUDENTS WITH ASSESSED NEEDS

Parents or tutor schools with students who have particular professionally assessed needs which require exam access arrangements must inform us directly via email (cambridgeexams@isct.co.za) **on application** and lodge supporting documents with us **when submitting the exam entry form**, in order for us to make the application to Cambridge by the deadline. Educational Psychological assessments need to have been completed within the last 3 years. If educational, medical or psychological recommended accommodations require additional personnel or additional time, an additional cost is charged. Please note: as our exam facilities are limited, we may not be able to support more specialised access arrangements, such as a fully separate venue or a reader.

FINAL STEPS ONCE YOUR ENTRY IS CONFIRMED

- The provisional statement of entry will be sent to you for you to confirm whether **ALL** details are correct. Notify us via email (cambridgeexams@isct.co.za) of necessary amendments **immediately on receipt** of the statement of entry. We cannot be held responsible for entry errors that should have not been identified by you. Errors requiring amendment which are identified after 14 February will incur the late penalty fee by Cambridge so please inform us BEFORE that date.

GENERAL QUERIES ABOUT THE CAMBRIDGE CURRICULUM IN SOUTH AFRICA

We are unable to deal with individual detailed queries regarding the wider Cambridge curriculum via the telephone or email; however, we are aware that there is a need for such information. If you need a consultation concerning wider issues of subject choice, matriculation exemption or matters relating to the curriculum, ISCT, subject to demand, may hold an annual Information session for private candidates, usually in the 1st term.
