**Textbooks** are supplied by the School. The books are numbered and are issued to you by your subject teacher. You need to sign for the books you get as a record is kept by the School. At the end of the year, the books are taken in again, so you need to return the book with the number you signed for. If you lose a book during the year or if it is damaged (more than normal 'wear and tear'), you will be charged the replacement cost. The textbooks are usually very expensive, so look after them carefully.
