Judo Suits

Although judo suits are not required to start judo (we understand that parents would like to know that their child enjoys the sport), we do encourage the children to get a judo suit as soon as possible for safety reasons. The collar and sleeve of a judo suit enable the judokas to hold on to their partner and support them during grappling. Once the child owns a suit, they will be required to wear it, it is not an optional uniform.

If you would like your child sized for a suit, please Whatsapp their coach requesting this. Please mention the child's name and school. They will then send an order form home with the correct size marked.

Please forward this order form, together with proof of payment to sandy.csjudo@gmail.com. Orders are placed with our supplier once a week so please be patient if the suit you ordered is not at your child's next lesson.

Other Info

Cape Schools Judo children may participate in our own competitions as their coaches will be present. For any other competitions, please have participation approved by your child's coach in advance, as per the enrolment form.

If your child would like to stop judo, please give written notice to sandy.csjudo@gmail.com
