

### Outstanding Cambridge Learner Awards 2019 Announcement

The International School of Cape Town is very proud to announce the names of ISCT students who have achieved top places in South Africa in the 2019 Cambridge International examinations.

We are one of 20 schools in the June 2019 examinations who achieved top results out of the many South African Cambridge schools and exam centres!

Our most exciting award belongs to Marta de Grandi, who achieved First place in the country. She is awarded Best Across Eight IGCSE subjects! This is a remarkable achievement.

Another incredible achievement is Min Kim's TOP IN SOUTH AFRICA and EIGHTH IN THE WORLD for AS Level Art and Design.

We look forward to seeing each of them recognised at the Cambridge Award Ceremony in March.
