

Key Stage 1

31 Eden Road, Claremont, 7708

Struben House T: 0211804240

Struben House Aftercare: 073 818 8065

Dear Struben House Parents

We are at the start of our online learning journey. We are hoping to make this process as easy as possible. We have decided to use the Seesaw online learning platform.

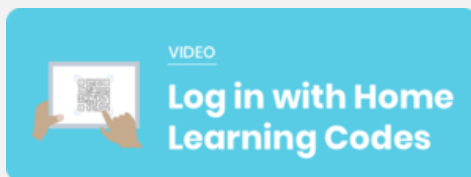

This app allows us to communicate with you and share home learning engagements. These home learning engagements are then saved onto your child's profile like an online portfolio of work. You will need to download the seesaw class app onto your iPad, Android device or phone. This is the icon to download.

We recommend that you use a tablet or an iPad.

You may see the family seesaw app  **Do not** download this. It is a part of the platform which we may engage with once we are back at school. If you are using a computer you will need to go to app.seesaw.me

Follow this link to a Youtube video which will take you through the sign in and learning process. Please note you will need your child's home learning code which you will have received from your child's teacher.

[Click here for link](#) to watch
