We are looking forward to welcoming all our students back every day in Term 4

We will be moving and rearranging classroom furniture to ensure a safe distance between children, with screens to separate children facing each other at a shared table. We will also be moving a few classes to different classrooms based on room sizes and class numbers.

Next term there will be slightly more staggering of our end of day times to end between 14:05 -14:15. These finalised timings will be in next week's newsletter so please keep a look out for that information.

Please note that our morning health check procedure has changed a little, so temperature reading is not taken in the car. KS2 children should be dropped off at the zebra crossing and make their way to the KS2 entrance (loggia/library if raining). Temperature reading & recording and sanitising takes place here.

## WORKING FROM HOME

The work to be completed via Google Classroom on non-school days is either a continuation/completion of the work in the lesson or contributes to the coverage of learning objectives for the year. It is important that work is completed by the due date so that your child can continue with the next lessons at school on their school days. Children who regularly do not hand in their work by the due date (without a valid reason) will have to finish off their work during break times if necessary.

Just as with our homework expectations in the past, we need to hear from parents if there is a valid reason for work not being handed in on time.

If your child is finding it difficult to get work done on non-school days, consider making us of our supervision facility. See below:

## SUPERVISION FOR NON-SCHOOL DAYS

Until the end of Term 3, KS2 children can attend the supervision/childcare facility for KS2 children on their non-school day (NSD). This runs at St John's Church hall, nearby in St John's Road (near Springfield Convent). We meet at Woodland Heights loggia after the normal temperature check and recording. Children can wear civvies and must bring their work for the day and their own games/books/stationery/activities.

The children who attend have a timetable for working on their Google Classroom assignments, independent quiet activities, and outdoor games and exercise.

Please see the website for more details.

If you would like your child to attend please contact Mrs Neethling (s.neethling@isct.co.za).
