INFORMATION FOR KEY STAGE TWO, WOODLAND HEIGHTS

Term 4

KS2 DATES

Term 4: 1st October – 4th December

KS2 Fun Fridays:

16th Oct: Pyjama Day
23rd Oct: Team Spirit (colours of your house team)
30th Oct: Inside-Out
6th Nov: Mad Hatters

It was so lovely to see everyone at school today! Despite the cold and showers we were able to get out for some class activities to reconnect, and to play together at break times.

As things start to feel more 'normal' around here, please remember to keep in touch with class teachers about any absence or illness. Teachers need to know in advance if a child needs to join in online.

We also need to know if somebody different will be collecting your child.

Teachers do not check emails during teaching time so it is important that same-day information goes via Ms Funani at reception: 021 761 6202

Now that more private activities are starting up, don't forget to let us know about any achievements or awards that children receive.

Keep an eye on the website for more details and arrangements for KS2 in Term 4.

Check the calendar in the Parent Portal for important dates.

All KS2 children need:

- a set of headphones
- own stationery in a plastic container
- a medium-sized labelled container for creativity resources
To fit small items such as pastels, chalks, crayons (provided by school).
- a labelled ziplock bag for storing a small cloth.
Cloth provided by school.

Daily Routines

School uniform: Please try to send your child in the correct school uniform wherever possible. We do understand that ordering new uniform and daily cleaning are difficult so we will be accommodating if non-uniform items have to be worn. These items must be neat and appropriate, and in school colours where possible.

Jewellery and hair rules remain in place.

Morning Arrival

- 7:15-7:45
- Please do not drop off KS2 children before 7:15

- Children will be supervised between 7:15-7:45 on the playground

Video/online lessons:

If your family needs to quarantine, we will make video lessons & online learning available wherever possible. Due to load shedding or technical issues there may be times that this becomes complicated. Please be patient if the class teacher adapts the timetable to best suit the needs of the children physically present in the classroom.

While we are **not able to offer the normal Aftercare facility**, we will be providing supervision for the siblings of HS students to make it possible for a single pickup at 15:00 (*14:00 on Fridays*). This will be charged at R100 per week (billed to school fees account). **We do not allow KS2 children to wait unaccompanied** (or with HS siblings) and there will be a fee for late collection after 15:15.
