ONLINE LEARNING

Thank you so much for all the effort and time that has gone into your children's attendance and participation via video while learning from home this term. We have loved seeing their faces on the screen and being able to talk and interact with them.

We hope that it was helpful having the children 'occupied' with live video lessons during the course of the day. The aim was for it to have the timetable and routine of a school day so it would feel more like 'school time' and hopefully allow parents a little more time for your own work.

Please do let me know if you have any feedback about the online learning setup going forward.

UNIFORM

Please ensure that your child wears a hat to school every day. We have a 'no hat, no play' policy at break times.

For those girls struggling with the skirt design/fit, please remember that the chino shorts are an option.

We have a fantastic 'Nearly New' [uniform shop](#) run by the PTA.

DATES TO BE CONFIRMED:

Term 1 Talent Show
(video recordings)

Term 2 Market Day
(pre-orders via website)

Year 5 & 6 camps booked for Term 1 have been postponed.

More details to follow. Parent feedback will be helpful so look out for questions and information from your Class Rep.
