INFORMATION FOR KEY STAGE TWO, WOODLAND HEIGHTS

Please take note of the ECA information & sign-up on the next page.

Primary School Music Concert

Join us by [watching via YouTube](#) at 18:30 on Friday 4th June.

At school, we'll be celebrating our talented musicians as they perform on our outdoor stage (or via live stream if the weather doesn't allow us to be outdoors).

Extra-Curricular Activities: Sign Up for Term 3 via [Google Form](#)

Information about the activities can be found [here](#). Please read carefully to check the day and time before you sign up.

Please sign your child up for ISCT-led activities by completing [this Google Form](#). *Sign-up is optional, and on a 'first come, first served' basis.*

- Activities will have limited numbers as we need to have space in indoor venues for all activities in the event of wet weather.
- Due to limited numbers, we will try to place each child in their first choice activity. If this isn't possible, we will allocate your child to their second choice activity.
- You will be able to see your child's activity allocation in the Parent Portal (web or app) by the end of June.

PRIVATE ECA's – please indicate your interest on the form. Don't make any payments to private providers yet. Final arrangements will be made for each private activity based on sufficient interest.

As mentioned previously, in order to offer sign-up to optional activities, **our end of day timings will have to change yet again.**

Although we know that these arrangements won't suit everyone, we have used parent responses to the recent survey to guide our planning.

In order to have staff and venues available for the activities we have to adjust our finish times for Term 3:

Y3&4-2:10

Y5&6-2:20

Wherever possible, we will do our best to try to help with sibling ending times and Music lessons. Please communicate with your class teacher.

We hope that by mid-July when Term 3 starts we will be able to run the 'normal' ECA activities as we are planning. **However** this is dependent on government guidelines, particularly around the third wave that we have been anticipating this term.

It may be necessary to continue with our current timings of extended days (class enrichment activities) into Term 3.
