INFORMATION FOR KEY STAGE TWO, WOODLAND HEIGHTS

Mini Maestros

Last week's music concert was a great success and we're very proud of our talented musicians in Key Stage 2:

Congratulations to

Ben, Lyra and Sarah in Year 3

Casey, Mahi, Isra and Ines in Year 4

Yashay, Max, Dylan, Na'eem, Eimran, Ella, Milo and Sithu in Year 5

Chelsey, Sofia Grace, Sophia R, Razeenah, Mikey and Alexander in Year 6

Well done to Max who completed his Grade 1 Trinity piano exam.

Environmental Ambassadors

KS2 children could apply to join our Eco Team as *Environmental Ambassadors*. It was a tough choice for our Year 6 portfolio members to narrow down the applicants, but we are pleased to introduce our three

Environmental Ambassadors –

Sithu, Michael and Ella.

The Enviro Ambassadors will work with the Eco Team to

promote our eco-friendly drives, encourage KS2 children to recycle, and support the Eco Team's initiatives. This is the first year we've had these additional roles and we're looking forward to growing this team in the future.

Aftercare will run until 16:30. Numbers have been increased but pre-booking is still required.

Classroom venues on a timetable: Please look for posters and signs at KS2 entrances.

Who should be booked into Aftercare?

- Waiting for a KS2 sibling with an ECA
- Waiting for a HS sibling
- Parents unable to fetch at pickup time

Term 3 finish times **except for Week 1 and Week 10 (no ECAs)**

Why have the timings changed again? In order to have staff and venues available for ECAs (as requested by parents), the end of day timings have to change again.

We cannot cater for year group staggers to keep children socially distanced on the loggia during pickup times.

The loggia is an outdoor space; ventilation and masks in place.

Classes waiting on the loggia at the end of the day will be slightly smaller due to children participating in ECAs.

COMING SOON

In **August**, we'll be holding an **online market** for our budding KS2 entrepreneurs.

In the past, this has been a one-day event held at school, with stalls set up in the KS2 area for staff, students and parents to browse and purchase.

This year, we'll be taking the market online – no queues, no cash.

If your child would like to make and sell their wares, this is what you'll need to do:

- ✓ Help your child to decide and plan what they're able to make and sell.
- ✓ Use the school holidays to practise, prepare and take photos.
- ✓ Price up your materials and ingredients.
- ✓ Discuss budget, expenses and profit with your child.
- ✓ Read up and set up SnapScan – you'll need to share your QR code for parents to transfer money electronically when they place their orders.
- ✓ First week of Term 3 (Tuesday 13 July) – send photos, QR code and description of items to Mrs Neethling.
- ✓ **13 July – 13 August:** Promote and advertise your products with posters, leaflets, flyers or business cards (max A4 size – check with Mrs Neethling for permission)
- ✓ Pre-orders for ISCT shoppers: 2-6 August
- ✓ Track payments from shoppers via SnapScan.
- ✓ Prepare the orders (after payment has been received). Your child will deliver the orders to the shoppers when the order has been completed.

What you need to know:

- Homemade/handmade items only
- Individual items priced at R20 or less
- Children may work together in pairs or small teams (ISCT KS2 only)
- Planning, making and selling will happen at home
- No cash will be exchanged at school – cashless payments through SnapScan
- **Consider COVID safety guidelines while making, packing and delivering.**

It is up to parents to read the SnapScan Terms & Conditions and determine whether you can/would like to operate through SnapScan. If you don't feel comfortable with this, please don't sign your child up for the KS2 Market.

Please note that money transferred through SnapScan can only be used in SnapScan. It cannot be exchanged for cash or moved electronically into a bank account.
