

HIGH SCHOOL PARENT & STUDENT HANDBOOK

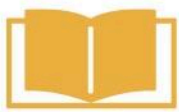

INTERNATIONAL
SCHOOL
OF **CAPE TOWN**

OUR VISION

“Empowering students to shape a brighter future.”

We aim to be:

A centre of academic excellence.

A talent incubator for teachers and students.

A learning environment that is distinctive and nurturing.

Impacting the future, together.

OUR VALUES

“At home in the world.”

We believe:

That contemporary learning takes place within a challenging, nurturing and supportive environment.

That we are enriched by our diverse community, and are committed to creating a space in which everyone is respected.

That we have a shared humanity, inspiring a commitment to ethical responsibility as local and global citizens.

OUR MISSION

“Equipping students with the skills needed for an ever-changing world and a passion for a lifetime of learning.”

To do this, we:

- 1 Apply global best practices to provide a balanced programme of academic, social, emotional and physical input.
- 2 Provide a nurturing and supportive environment that is safe and fosters positive relationships.
- 3 Provide a dynamic environment where children enjoy learning and develop 21st-century skills.
- 4 Celebrate our diversity by respecting all faiths and cultures.
- 5 Provide opportunities for students to make positive contributions to their local and global communities.
- 6 Address challenges faced by students and families by partnering with them to reach a solution.

Equipping Students to Change the World.

WELCOME

Welcome to The International School of Cape Town! Congratulations on choosing a world-class school for your education. We are thrilled to have you join our high school community and are confident that your time here will be both enriching and academically rewarding.

Our school offers a dynamic and supportive environment, and we encourage you to make the most of the opportunities available to you - both inside and outside the classroom. We are committed to helping you achieve your full potential and ensuring that your experience with us is both fulfilling and enjoyable.

We look forward to a fantastic journey ahead and wish you the best as you begin this exciting chapter!

This handbook is designed to help you throughout your course of study and you should retain it for future reference. It contains important details about the start of the school term, class times, code of discipline, subjects offered and other important information. Please contact your Peer Support or SLF member, Class Tutor, the Head of High School or the Principal if you encounter any problem or situation that is not covered in this handbook.

We wish you every success and happiness in your studies at ISCT.

GENERAL INFORMATION

SCHOOL YEAR

Our school year starts in January and ends in December. The year is divided into 4 terms and we try to align our terms broadly with those of the Western Cape Education Department but also take into consideration our Cambridge exam dates and the needs of our international families. Here is an example with the term dates for 2025:

Term 1	15 January - 20 March
Term 2	2 April - 13 June
Term 3	16 July - 18 September
Term 4	30 September - 3 December

SCHOOL DAY

High school students should be dropped off at the designated area in the parking lot or walk into school through the pedestrian gate.

The school day officially starts **at 07h45**. Students need to be in school by 07h40 so that everyone is in their class tutor rooms for a prompt start at 07h45. On **Mondays and Fridays**, we have **assemblies** after a 5-minute registration that takes place in the tutor rooms at 07h40. Each morning, the class tutor (a staff member assigned to a class for the year) will start the morning with students by going through some administrative tasks for the day such as taking attendance or with an activity. Class tutors are there to help in many ways such as helping students address any concerns or giving advice on how to deal with any problems (school or personal, academic or extra-curricular). A student's class tutor is the first person they should reach out to when they need help with anything.

BELL TIMES FOR THE HIGH SCHOOL

	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
Registration	07:45	07:45			07:45
Assembly	07:50				07:50
Period 1 <i>(Lesson 1-2)</i>	08h10	08h00			
Period 2 <i>(Lesson 3-4))</i>	09h05	09h00			
BREAK	10h00 - 10h25				
Period 3 <i>(Lesson 5-6)</i>	10h30				
Period 4 <i>(Lesson 7-8)</i>	11h30				
LUNCH	12h30 - 12h55				
Period 5 <i>(Lesson 9-10)</i>	13h00				
Period 6 <i>(Lesson 11-12)</i>	14h00 (13h55 if ECAs are running)	14h00 *13h45 if <i>Meeting Period</i>	14h00 (13h55 if ECAs)	Early Release @ 14h00	
END	15h00 (14h50 if ECAs running)	*14h30 - 15H00 for <i>Meeting Period</i>	15h00 (14h50 if ECAs)		
ECAs	ECAs run from 15h15 - 16h15 on designated days				

The table above shows how the school day is broken up and the various lesson blocks. Students will be given their lesson timetable at the beginning of the year (or on arrival).

There is a bell system that will alert students when it is time to move to their next class. All students need to be out of the building during break times except when it rains or if it is really cold. Wet breaks or cold breaks will be in the registration classrooms with the class prefect in attendance and will be checked on periodically by teachers on duty. Students may move between the classes in their year group or spend time in the library or Loggia where a teacher will also be on duty. A bell will sound five minutes before the end of break to alert students and give them time to move back into the building and prepare for the next class so they are in the correct venue when the second bell sounds. At the end of the day, students must be collected by a parent in the parking area or, if they are on foot, they should exit via the pedestrian gate.

The Curriculum

We are in the process of introducing the Cambridge Lower Curriculum for students in Years 7 - 9. The transition will be phased in over the next two years. The curriculum lays the foundation for Cambridge IGCSE and AS/A level. It includes the following subjects:

Key Stage 3		Key Stage 4	Key Stage 5
Years 7 and 8 <ul style="list-style-type: none"> English Language & Literature Mathematics Physical Science (Phys/Chem/Bio) French / Afrikaans / Spanish Geography History Music Art Drama Information & Technology Design & Technology Personal, Social & Health Education (PSHE) Physical Education (PE) 	Year 9 <ul style="list-style-type: none"> English Language & Literature Mathematics Physical Science (Phys/Chem) Biology French / Afrikaans / Spanish Geography History Music Art Drama Information & Technology Design & Technology Personal, Social & Health Education (PSHE) Physical Education (PE) 	Year 10 and 11 Core Subjects (<i>all students</i>) <ul style="list-style-type: none"> English Language Mathematics 2nd Language Afrikaans, MFL French or Spanish Personal, Social, Health Education Physical Education Options (blocks vary from year to year) <ul style="list-style-type: none"> Biology Chemistry Physics Art Business Studies Drama English Literature Geography History Music Computer Science 	AS and A-level (Year 12 + Year 13) <p>Non-exam subjects:</p> <ul style="list-style-type: none"> Physical Education Tertiary (AS) <p>Choice of 3 - 4 subjects (<i>arranged in blocks that vary from year to year</i>)</p> <ul style="list-style-type: none"> English Language English Literature Mathematics Business Studies History Geography Biology Physics Chemistry Art French Music Computing Spanish Drama

Assessment in High School

Each subject is assessed in a variety of methods to support students in understanding how they have progressed. Assessment tools include **tests, examinations, worksheets, homework, projects, and research**. All these are used to give students, teachers and parents an indication of how well a student is mastering the skills and concepts that are found in the different subject areas. This assessment of work is ongoing and is thus called continuous assessment. In certain year groups and subjects, a portfolio of student work will be used as the main assessment piece. Twice a year examinations are written - once at mid-year (May/June) and once at the end of the year (October/November). To prepare our senior students for their A-level exams, they write trial examinations in Term 3.

Reporting

Student progress will be reported on at the end of each term. Term reports include subject comments, current and target grades which may range from **A*, A, B, C, D, E and U**, as well as descriptors reporting on behaviour, work ethic and homework. Term 1 and 3 reports will reflect progress based on teacher assessments (formative) completed during the term while Term 2 and 4 reports will be based on exam results (summative). Students and parents will be able to view the reports on EdAdmin once they have been released. We encourage families to download and store or print these files and keep them in a safe place. Reports are only provided in a digital format.

Parent Meetings

Online parent consultations take place in Term 2 which will allow teachers and parents to discuss student progress. Parents will be invited for follow-up meetings if there are further concerns.

Cultural Activities

In addition to the artistic academic subjects offered (Art, Drama, Music) there are a number of cultural options in the extra-curricular programme, and community service opportunities each year. Please see the section on *Extramurals* in this handbook, or chat with the teacher-in-charge or the Class Tutor for more information.

Camps & Outings

Throughout the year, classes go on excursions that extend learning and afford students opportunities to experience the curriculum in a different setting and context. Some examples of outings include the Year 7 and 8 camps at the start of the year.

We have an annual camp at different locations for each year group with a focus on developing experiential learning and teamwork. The trips range from overnight hikes to week-long tours. Some places our students have visited include Sutherland, Gansbaai, Betty's Bay, the Garden Route, and Namibia. ISCT had its first international tour to Vietnam in 2024. We look forward to the next adventure.

Homework

Homework extends learning beyond the classroom. A special 'homework timetable' has been worked out for each year group (KS3 and IGCSE). Subject teachers will set homework accordingly and it is important to complete this work for the date that it is due. Homework needs to be done daily as it is an important part of a student's learning and is designed to help them understand the work better or take a topic further than can be done in the lesson. Students are expected to work independently and to learn how to manage their time well.

Teachers use Google Classroom regularly to post homework assignments and key information from lessons. Once a student has logged in to their school email, teachers will be able to add them to each subject group.

≡  Classroom

Digital Devices

Cellphones

At ISCT, students are not allowed to bring phones to school until they complete a digital safety course which occurs in Term 1 of Year 7. Once permitted, cell phones need to be switched off and put away in a bag from 07:45 until the end of the school day. Phones are not to be used at any time during the school day. If a student chooses to bring a cellphone to school, it is done at their own risk and it is their responsibility to look after it. **It is our preference that students not bring phones to**

school. Should a child need to contact their parents they can make use of the school phone at reception.

IT Lab & use of school computers, laptops, iPads and emails

The IT laboratory is set up with 26 computers all networked and linked to the internet. Students can use this facility only when a teacher is present. To ensure the proper use of the school computers, there is a strict code of conduct for the IT lab and the use of school email accounts. The IT Lab Code of Conduct is displayed in the IT lab and students will need to sign a document regarding the use of school computers before they are allowed access to them.

All students are assigned an email address and log in by the IT Team. New students are encouraged to request help when signing in for the first time and students are expected to check their school email regularly. Students in years 7-9 are provided with a school iPad for educational purposes. Students are expected to care for their iPads in the same way they would care for any other school equipment. iPads must be returned to school at the end of each term for safekeeping and updates. Any damage to the iPad must be reported to the IT Department with immediate effect. From Year 10 up, students are expected to bring their own laptop. The IT department will advise on the specs needed to ensure that students can learn, work and engage with digital material.

Social Media Policy

Due to the wealth of new social media tools available to students, student products and documents have the potential to reach audiences far beyond the classroom. This translates into a greater level of responsibility and accountability for everyone. When students are using any social media tools on the ISCT infrastructure, the schools' [Acceptable Use Policy](#) governs that usage. There are a number of South African laws that govern the usage of all citizens, including the Protection of Public Information Act (POPI) and those relating to the Child Protection Act. It is also important to note that anything shared online with another person is seen as being a published item which means it is subject to a range of laws related to publications.

The right to privacy of minors is maintained in all our interactions around the school, and as such, the school does not condone any sharing of photographs, information, comments, or opinions that could infringe upon the rights of individuals or specific groups in our community. While members of the ISCT community have every right to feel disgruntled with school related issues at times, we discourage public 'venting' via social media and would far rather advocate direct engagement at the source of the problem. (*Complaints Policy for parents can be found [here](#).*)

STUDENT GUIDELINES

All ISCT students are expected to represent the school well at all times - whether in person or online. Below are guidelines that students are expected to adhere to when using digital tools.

1. Be aware of what you post online. Social media venues are very public. What you contribute leaves a digital footprint for all to see. Do not post anything you wouldn't want friends, enemies, parents, teachers, universities, or a future employer to see.
2. Follow the school's code of conduct when writing online. It is acceptable to disagree with someone else's opinions, however, do it in a respectful way. Make sure that criticism is constructive and not hurtful. What is inappropriate in the classroom is inappropriate online.

3. Be safe online. Never give out personal information, including, but not limited to, last names, phone numbers, addresses, exact birth dates, and pictures. Do not share your password with anyone besides your teachers and parents.
4. Linking to other websites to support your thoughts and ideas is recommended. However, be sure to read the entire article prior to linking to ensure that all information is appropriate.
5. Do your own work! Do not use other people's intellectual property without their permission. Be aware that it is a violation of copyright law to copy and paste others' thoughts. It is good practice to hyperlink to your sources.
6. Be aware that pictures, videos, songs, and audio clips may also be protected under copyright laws. Verify you have permission to use the images, videos, songs or other clips.
7. How you represent yourself online is an extension of yourself. Do not misrepresent yourself by using someone else's identity.
8. Posts should be well written. Follow writing conventions including proper grammar, capitalisation, and punctuation. If you edit someone else's work be sure it is in the spirit of improving their writing.
9. If you run across inappropriate material that makes you feel uncomfortable, or is not respectful, tell your teacher right away.
10. Students who do not abide by these terms and conditions may lose their opportunity to take part in a project and/or access to future use of online tools.

Academic Honesty

Academic integrity encompasses a set of values and skills that are essential for the student's development as principled communicators, who use information responsibly. "Academic Honesty" means performing all academic work without plagiarism, cheating, lying, tampering, stealing, receiving unauthorised or illegitimate assistance from any other person, or using any source of information that is not common knowledge.

Students are expected to understand the definitions of plagiarism and cheating and to adhere to school guidelines. The school leadership team will take disciplinary action to address cases of academic dishonesty. **For more details regarding our expectations of students, please refer to the Student Code of Conduct.**

Cheating is defined as seeking an advantage by unfair or dishonest means on an assignment or assessment. Plagiarism is defined by Merriam Webster Online Dictionary as: "...to steal and pass (the ideas or words of another) as one's own; [to] use (another's production) without crediting the source; to present as new and original an idea or product derived from an existing source".

Plagiarism does not necessarily involve intentional deception, it may include:

- Using another author's words or ideas without giving proper citation or credit.
- Representing someone else's words or ideas as your own (copying directly from another's work).
- Having someone else complete or contribute substantially to the work (such as a sibling, tutor, or friend) and turning it in as one's own.
- Failing to properly apply quotation marks to a quotation.
- Giving incorrect information about the source of a quotation.
- Changing words but copying the sentence structure, intent, or facts of a source without giving credit.

Cambridge Assessment International Examinations has clear expectations regarding academic honesty that can be found at: [Preventing plagiarism - guidance for teachers](#)

The academically honest student is expected to :

- Document source material formally and appropriately.
- Use direct quotations appropriately.
- Understand the concepts of plagiarism.
- Acknowledges explicitly and appropriately for help provided by another person.

We expect that all students will not:

- Copy the internal assessment work of other students.
- Give another student their work to copy.
- Present material written by another as their own.
- Present artistic or creative work in any medium that has been reproduced except in a manner allowed by the teacher or permitted by the examination rules.

Consequences for not meeting these expectations will vary depending on the seriousness and frequency of the offence in question. Academic consequences may range from a warning to no mark being awarded for an assignment. In addition to the academic consequences, students may receive disciplinary consequences ranging from a documented warning to suspension. Extreme cases may result in the student's expulsion from the School.

House System

Each student is placed in one of three houses, named after stellar objects or systems – **Draco** (green), **Orion** (red) and **Titan** (blue). There are various inter-house events (sports, cultural and academic) where students participate to earn points for their house. At the end of the year, the points are added up and the house with the most points wins the McLaren Interhouse Trophy. Students will need to have the correct colour T-shirt for their house. These T-shirts are available from the school uniform shop.

Attendance Expectations

Late Arrivals

School starts at 07h45 each morning. Students need to be in their register class or assembly by this time. The duty staff member or prefect will note down a late student's name. If a student is late three times in a five day cycle they will be issued with a demerit. If a student arrives after the duty teacher or prefect has left, they need to report to the Reception (front desk) to ensure they are marked present.

Illness or Absence from School

If a student does not feel well in the morning and will not be coming to school, then parents need to email the class tutor or receptionist by 08h15 to let the school know.

If a student starts to feel unwell whilst at school and wishes to go home, they need to get permission from their class tutor or the Head of High School and then go to the Reception Desk and ask to phone one of their parents or guardians. **Students should not be sending parents messages or phoning parents to fetch them.** This should only be done via the relevant staff member. Students going home will need to wait there until the person collecting them signs them out with the receptionist. Students may not leave the school before 15h00 unless they are with a parent or guardian. No child may leave in a taxi or Uber during the school day.

When a student is unable to attend school on a particular day, or part of the day (eg. an unavoidable appointment), their parent or guardian will need to send an email or letter to their child's tutor at least one day before the event informing the school of this planned absence. The student should excuse themselves from the teachers whose class(es) they will miss. **It is the student's responsibility to catch up on work that is missed whilst being absent.** Students should speak to their subject teachers and check Google Classroom to find out what needs to be done and collect any relevant handouts. If a student is absent from school for more than two consecutive days, a doctor's note or medical report will be necessary to support their non-attendance.

Lockers

Lockers are available in various places around the building for students to use at no charge. Lockers are available so that students have a spot to store their books so they don't have to carry all of them around all of the time. The lockers are assigned by the receptionist. We suggest that students visit lockers for 5 minutes at the start and end of breaks, as well as before and after school. Students are expected to ensure that their locker is secured using a padlock.

Library & Resource Centre

The library has a good selection of printed reference and fiction publications. The books have been catalogued and need to be signed out by the librarian or the teacher. Students may use the library at break times if they have assignments to complete. The library also includes an online section through Snappify - a digital library solution. ISCT has partnered with Snappify to create a digital library collection and e-learning platform for its students to access.

Student access:

1. Click on <https://isct.snappify.com/login>
2. Select sign in with Google and log in using your ISCT email address and password. ISCT Students from Y3-Y7 already have the Snappify app browser and e-reader loaded onto their iPads.

3. On the landing page, you will be able to search for content as well as request and check out ebooks that have already been purchased and added to the collection.
4. Download the Snappify e-reader from the Google Play store which is compatible with most devices. The ebooks you have selected in the library will be automatically downloaded to the e-reader once you log in. Downloaded books are accessible offline until they are returned.
5. There is a 2 week checking out period after which the book will be "returned" automatically.

Prefects

A prefect system operates in the high school and prefects are there to assist with the smooth running of the school and to help any student who requests it. A class prefect will be assigned to each tutor class and students will have the opportunity to get to know them during class tutor sessions. Prefects are there to assist in various aspects of the day-to-day running of the school and through this to develop their leadership capabilities. Students need to prove their worth to be eligible to become a prefect. Each student doing the AS level course is allocated a portfolio of responsibility which, if they have handled it well, will make them eligible to serve as a prefect. Prefects will be elected in the fourth term from the eligible Year 11s and take office after the Year 12 students go on study leave. Two Head Prefects (there is no prerequisite that one is male and one female) are elected by the high school students to run the prefect body.

Safeguarding and Child Protection

ISCT is committed to creating a safe learning environment for all its students. We take our responsibility with regards to safeguarding and child protection very seriously and expect all our staff and students to conduct themselves in a manner that is above reproach. All students are made aware of who to talk to if they need to share a concern they might have about their safety or that of another student. The Designated Safeguarding Lead in the high school is the counsellor so should a student have a concern they are encouraged to meet with the counsellor, but can approach any member of staff they feel comfortable with who will then report to the counsellor on the student's behalf.

The school Safeguarding and Child Protection Policy outlines what happens when a record of concern has been made and it is available on the school website. There are several posters up around the school signposting that students and parents can approach if they have a concern and these Designated Safeguarding Leads and Deputies will also be introduced at assemblies at the start of each year. Additionally, PSHE lessons will include age appropriate sessions on what behaviours are of concern, consent and where to turn to if you need to report something.

Sports and Extra Murals

ISCT has a growing extramural programme including sports and cultural options. Each student needs to be committed to a minimum of two days of extramural activities per week. In some sporting cases where the teams are entered into leagues, this consists of one training and one match day. Other activities take place only once a week.

All extramural activities take place between 15h00 and 16h30 on Mondays to Thursdays and from 14h00 - 15h00 on Fridays and are held at school or off-campus at nearby facilities. Students and staff are transported to these venues by the school bus and returned to campus thereafter. Sports sign-ups take place every term and students who sign up for a sports code are expected to carry this commitment over all terms in which the sport is played. The summer sports season is in Term 1 and Term 4 and the winter season is in Term 2 and Term 3. Once a student has signed up for a

particular activity, they are committed to this activity for the duration of the season. The Head of Sports will communicate when and where the different sporting codes take place and can help support students who would like to get involved in a sport or cultural activity not currently offered by ISCT. Students who perform in a sporting code at a level that cannot be offered at school can request to be exempt from school ECAs from the Head of Sport.

The following extra mural activities are offered at the school each year:

Summer Sports: Basketball, Volleyball, Ultimate Frisbee, Tennis, Functional Fitness, Badminton

Winter Sports: Football, Futsal, Netball, Hockey, Badminton, Functional Fitness

Other Options: Drama, Art, Debate, Singing, Maths Club, Photography, Glee Club

School Uniform

Expectations regarding uniform are clearly outlined in the Student Code of Conduct. Students are allowed to wear their PE or formal uniform to school but are not allowed to mix the uniform codes.

There are several occasions on which formal school uniform is required as listed below:

- All clothing, including shoes and other personal possessions, should be clearly marked.
- Throughout the school day from Monday to Friday, students should be in appropriate uniform – i.e. full school uniform or full sports kit.
- Formal school uniform must be worn on school outings, special events, assembly days and prize giving ceremonies and full sports kit must be worn for all matches.
- School skirts should be of an appropriate length – no shorter than 100mm above the knee.
- Hair should be neat and clean and should not obstruct the student's vision. Hair accessories should be white, blue or black and hair must be a natural colour.
- Students should have clean shaven faces. If there is a specific religious reason for deviation from this, a letter from the student's religious leader is required.
- Jewellery: Medic alert bracelets and wristwatches may be worn. Students may wear one pair of stud earrings or sleepers in the lower ear lobe only. Students may wear a necklace if it is tucked inside their shirt. Otherwise, no other jewellery may be worn with the school uniform. An exception is that Year 12 students may wear one ring, one bracelet and two earrings in each ear. These should all be discreet, small and plain.
- Makeup may not be worn by students, except for a natural base. Year 12 students are advised that a small amount of makeup is permissible.
- Clear or nude nail polish may be worn by students.
- Students are not to have tattoos, drawings or writing on any part of their skin that is not covered by the school uniform (eg. hands, arms).

- If there is a religious or cultural requirement for a student to deviate from the uniform code including the sport code, the student may bring a note/letter to the Principal from their parents explaining the requirement for the deviation from the rule. Notable deviations would include nose studs and Henna painting for students of the Hindu faith.

As a special concession when it is a student's birthday, they are allowed to wear civvies on the Friday of the week in which they celebrate their birthday.

Stationery and Textbooks

The school provides academic materials such as textbooks or electronic resources for all subjects. The school also provides exercise books, A5 hardcover manuscript books and A4 exam pads at the beginning of the school year according to the teacher requirements for each subject. Files, sleeves and pouches along with additional A4 Exam Pads will not be provided.

Students will need to purchase the following items:

- A suitable school bag
- Casio Scientific Calculator and Mathematical instrument set
- Pencil bag or case and:
 - 1 x 30cm ruler (normal width)
 - Black or blue ballpoint pen
 - Black fine liner
 - Pencil
 - Pencil sharpener
 - Highlighter
 - Eraser
 - Scissors
 - Glue stick
 - Sellotape
 - Pencil crayons (Colleen or Aquarel) – standard
 - Felt tipped pens (set of 10, medium point) - standard
 - Flip file (10-page)

Student Leadership Forum

Each class will elect two representatives to sit on the Student Leadership Forum. The Forum is designed to support the student voice in the running of the school. It is chaired by the two Head Prefects and is overseen by two members of the teaching staff. The Forum meets frequently to discuss issues that are relevant to the students and have been instrumental in bringing about some improvements to the school. All students are encouraged to share any recommendations with their class rep so they can be brought forward in these meetings.

Student Awards

Each year, there are several awards ceremonies to acknowledge the achievements of students.

Junior Awards

The Junior Prize Giving for years 7 - 10 takes place on the last day of Term 4. The awards for Y7 - 10 students includes:

Merit Certificates

Awarded at **bronze, silver, and gold** levels according to the number of academic merits amassed during the year (as recorded on EdAdmin).

Certificates of Prowess

These awards are nominated by subject teachers for *Excellence, Improvement, or Consistent Work Ethic* in a subject.

House Awards

This is awarded to one Year 7 – 10 student from each house who has excelled in Inter-house activities during the year and whose enthusiastic participation and commitment well beyond the call of duty have acted as a motivating and unifying force for their house.

Arts and Culture

These certificates are awarded for unselfish contribution to ISCT in one or more areas of Arts and Culture. The list of recipients will be compiled by the Art, Music, and Drama teachers.

Sports Awards

A miniature trophy for excellence in the sport and a medal for commitment to the sport and fellow team members may be made for each of the school's competitive sporting codes.

Special Sports Awards

These certificates are awarded to students who perform at a level worthy of recognition outside of school.

School Trophies

Trophies are awarded in the following categories:

- **Year 7 – 10 Arts and Culture**

This trophy is awarded to the Year 7 - 10 student who has shown unselfish commitment to Arts and Culture at ISCT, participating with enthusiasm and excellence in several aspects of our school cultural life.

- **Year 7 – 10 Sportsperson of the Year**

This trophy is awarded to the Year 7 -10 student who has shown unselfish commitment to ISCT sport participating enthusiastically and with excellence in both winter and summer programs. He or she will have shown individual growth and displayed great sportsmanship on the field.

- **Year 7 – 10 Leadership Award**

This trophy is awarded to the Year 7 -10 student who has shown outstanding initiative and leadership within ISCT and who has shown enthusiasm and regular involvement in a variety of spheres of school life.

Academic Year Prizes

- **Best Academic improvement**

Awarded to the student with the highest improvement in overall aggregate for the June and November exams.

- **Perseverance**

Awarded to the student who, in the opinion of the staff, has shown the greatest perseverance in their studies over the whole year.

Academic Book Prizes

- **Academic certificates**

These certificates are awarded to students who achieve an aggregate of 75% and over in the November examinations.

- **Best Academic Achievement**

This is awarded to the student with the highest average achieved across all subjects in the November examinations.

- **Best All-Rounder**

Awarded to the student who participates, with excellence, in a variety of academic, sporting, and cultural activities at the school.

- **Colours Awards** - see Senior Awards for the description.

- **Legacy Award (First awarded in 2023)**

Awarded to the top-performing Year 7 student based on their academic results. This scholarship is based on the student's end-of-year 7 examination results. The scholarship covers 50% of academic tuition at ISCT and may be re-awarded annually based on the continued high academic achievement of the recipient.

Senior Awards

The Senior Awards event is held at the end of Term 3. The awards for Y11 - Y13 students are as follows:

Certificates of Academic Prowess

These awards are nominated by subject teachers for *Excellence*, *Improvement*, or *Consistent Work Ethic* in a subject.

Subject Prizes

Awarded to the student who has the highest percentage in the IGCSE final examinations, and the AS level and A level trial examinations.

Sports Awards

A miniature trophy for excellence in the sport and a medal for commitment to the sport and fellow team members may be made for each of the competitive sporting codes at a senior level.

Service Award

This trophy is awarded to the senior student who has a passion for people and fulfills this passion through participation, above the call of duty, and for a sustained period of time, in community service.

Sports Person of ISCT Trophy

This trophy is awarded to the senior student who has shown unselfish commitment to ISCT sport, participating enthusiastically in both winter and summer programmes. He or she will have shown individual growth and also have assisted in the development of his or her teammates.

Trophy for the Best Contribution to School Life

This trophy is not based on academic results and is not available to the Head Students. The recipient will have achieved in a variety of extra-curricular activities, exhibited exceptional determination and perseverance, displayed consistent loyalty, friendship and respect for fellow pupils and made a substantial contribution to school life.

Education Development Trust Trophy for Creativity and Innovation

This trophy is available to an individual who has, or a group who have, displayed exceptional creativity and innovation in any sphere of school activity. The work needs to be original, with a minimum of adult assistance and must be seen as an inspiration to other students.

International Student Trophy

This award is made to a senior student who is a good representative of their own country, with a positive attitude towards the life and culture of others, can converse in at least two languages, is a contributing force in the life of the school and possesses the ability to bring diverse people together into a sense of community, thus furthering the cause of cross-cultural understanding.

Margaret Latimer History Trophy

This trophy is awarded to the top History student in Years 11, 12, or 13.

Inspired Mathematician Trophy

The Inspired Mathematician's Trophy is awarded to the Year 11 or 12 student who has shown the ability to not only achieve excellent grades in school mathematics courses but also to engage with the subject in a creative and/or innovative way, beyond the confines of the syllabus.

The Katherine Bennet Endeavour Award

The Endeavour Award is awarded to a Year 12 or 13 student who has demonstrated unerring commitment to 'doing their best' in all aspects relating to their study. It recognises students who have demonstrated exceptional effort, perseverance, and dedication in pursuing their academic goals. It may be given to a student who has overcome significant challenges or obstacles, or has

shown significant improvement in their academic performance. This award was first awarded in 2024.

IGCSE Dux Trophy

This trophy is awarded to the Year 11 student who achieved the best results across 8 subjects in the IGCSE Final Examinations.

A-Level Dux Trophy

This trophy is awarded to the AS or A level student who achieved the best results in the September Trial Examinations.

Year 12 Student of the Year

This award is made to the Y12 student who, in the opinion of his/her peers, is the person who has best acted as both a unifying and inspirational force in the school; building and enhancing relationships both within the AS and A-level classes and in the wider school community.

Inter House Competition Shield

Awarded to the school house which has accumulated the most points from the year's sporting and cultural inter house events and from individual house members' merit awards.

Colour Awards

The Colour Awards recognise a range of achievements. Students are acknowledged for these achievements at special assemblies and prize givings which are held at the end of Term 1, Term 3 and Term 4. At the end of Term 1, colours are available to the entire high school. Colours are awarded in the following areas of school life:

- **Academic**
- **Sport participation and achievements**
- **Cultural involvement and achievements**
- **Community Service**
- **Leadership**

The various categories of colours, in a hierarchical order, are:

- **Scroll**
- **Half Colours**
- **Full Colours**

There is a preset list of criteria that will determine which colours a student will qualify for. Colours are only awarded for achievements while being a student at ISCT.

[Here is the link to the full set of colours awards and the requirements for each.](#)

Student Support

All high school students have access to our High School Counsellor should they need to talk through any issues, concerns or struggles they may be experiencing. Here are the steps on how to access counselling and/ or learning support services at ISCT:

1. Students can contact the High School counsellor via email or as a walk-in/ in-person and decide on a day and time to meet, when they are available.

2. Students can also request their parents to contact the High School Counsellor or contact a Peer Support Member/member of staff they are comfortable with to facilitate the counselling process.
3. A Google Calendar invitation is sent to the student's email address, with the calendar slot set to private to ensure confidentiality.
4. For the lesson the student is missing to have a counselling session, they show the teacher whose lesson they are in the Google Calendar invitation and report to Room 14 (High School Counsellor's office).
5. Ensure that they know what work they are missing and catch this up throughout the week.
6. Online counselling sessions are also available to students who may find this more beneficial.
7. Come just as you are.

Eatfresh

The school tuckshop is run by Eatfresh. Snacks and lunches can be purchased from the tuckshop or pre-ordered on the TapTuck App that can be collected at the start of the breaks. The menu is posted on a noticeboard outside the tuckshop as well as on the app. Each week there are different take-home meal options which are shared through the newsletter along with information on how these can be pre-ordered.

The tuckshop is open before school, during both breaks and after school. Students are not allowed to purchase snacks during classes or between classes. Please take note that this is a cash-free facility that accepts bank cards, SnapScan and TapTuk. TapTuck can be used for online ordering and to tap and pay with a preloaded TapTuck card. Details on how to load [TapTuck can be found at this link.](#)

COMMUNICATION

Ed-Admin MP

Parents will receive a link to our management system when their child joins the school. On the portal, parents can view their child's extra murals, reports, account details, and the school calendar. The EMP app is available for download in your preferred app stores. To provide additional assistance during the activation process [please follow this link.](#)

Classroom

Google Classroom

Subject teachers will be posting assigned homework and other relevant resources on Google Classroom. Parents can be added as guardians on request to check homework submission and compliance. Students are expected to check Google Classroom daily.

Newsletters

Newsletters will be emailed to the school community every Thursday. These include news about recent and upcoming events and achievements any students have had and has a section that is High School specific. Parents are expected to read these each week as they include important updates.

Parent Interviews and Reports

Parent information meetings are held in the first term of each year. Individual interviews between teachers and parents take place once a year, usually in the second term. Should the need arise for parents to see the teachers at any other time, please contact the subject teacher directly or the Head of High School. High school e-reports are published at the end of each term. Please download and save these files.

Parent-Teacher Association

The PTA is responsible for encouraging parents to become involved and engaged in various school activities. Information regarding their activities is included in the school newsletter.

ISCT Website, Social Media, Phocus Webpage

Key information about all aspects of ISCT school life can be found on our webpage: <https://www.isct.co.za>

Regular posts are made to our school Facebook and Instagram accounts of current and upcoming events and the successes of our students.

Phocus is a student-run webpage that post articles about events and issues that pertain to the High School: <https://phocus.isct.co.za/>
